

INDUSTRIAL NOTES.

(Portland Correspondent)

Reports from various points in the state indicate that Country Life Education Week movement, as outlined by State Superintendent Alderman and the Oregon Development League, is being observed very generally and is arousing much enthusiasm.

The Salem Commercial Club celebrated with a farmers' dinner at the Hotel Marion on Thursday. The entire afternoon was given up to addresses and discussions by members of the Board of Trade and visiting farmers of the county. Governor West and President Kerr, of the Oregon Agricultural College, were the principal speakers.

At Dayton the Commercial Club appointed Miss Harriet Starr, secretary of the club to organize the work with the principals and teachers of the schools and to interest the parents in the work.

At Klamath Falls the county and city superintendents of schools and members of the Commercial Club joined in a public meeting to plan for the garden competition and for giving the idea special prominence at the fair next fall.

At Adams the commercial club and school directors have combined to introduce agricultural and industrial contests in the schools. A premium list was arranged and supervisors for the different branches of the competition named. A public meeting was held on Thursday afternoon.

The Baker Commercial Club made the subject a special order of business at its meeting Wednesday evening.

On Friday evening of Country Life Education Week the farmers of Sherman county gave a banquet to the merchants of Moro to which the business men of The Dalles and Portland were invited. Only Sherman county products were served at the dinner.

At Portland the committee on garden contests in the public schools arranged for two contests, one for early vegetables and one for the later varieties. A special exhibition will be held in the armory on June 15-16, the last days of the Rose Festival. One hundred prizes will be offered. A silver cup will be awarded to the school winning the first prize, and if won for three years in succession it will become the permanent property of the school. The contestants are to be divided into two classes, those over and those under thirteen years of age.

At Mosier a joint meeting of the local horticultural society, the school officials and the commercial club was held on Friday evening, at which time plans for developing the Country Life idea were perfected.

At Prairie City a plan is under way to interest the county schools with the schools of the city in the movement.

Governor West, in addition to his other activities in connection with Good Roads Week, on Wednesday talked to the citizens of Portland from the vantage point of dry goods boxes on street corners. The Governor has also offered a prize of a mail delivery wagon to the rural carrier who would send him the best 250-word letter and photographs descriptive of the roads over which he regularly travels. He also spoke before the Portland Ad Club. The Rotary club of Portland authorized the appointment of a committee of ten to aid in securing signatures to initiative petitions.

L. C. Smith, chairman of the executive committee of the Newport Commercial Club, walked the entire distance of 125 miles from Newport to Portland in order to ascertain the most desirable route for an automobile road between the two points.
